

The purpose of this modification is to correct an administrative error in Section H.3.1. entitled, Set-Asides Based on Socio-Economic Group.

To coincide with the Federal Acquisition Regulation (FAR) Part 19, Section H.3.1., paragraph 1, is corrected to allow for competitive set-asides within a specific socio-economic group when it is anticipated that offers will be obtained from at least two responsible small business concerns.

Attached is a complete conformed contract through Modification 01 that modifies Section H.3.1. The Contractor is required to update their OASIS SB website by replacing the original contract with the modified conformed contract.
